

PRIVACY POLICY

We take the privacy of our customers very seriously and we are concerned to protect your personal data. We believe it is important that you know how we treat the information about you that we receive through this website. Therefore we will only use your personal information as set out in this Privacy Policy. If you have any questions in relation to the information we hold about you or our use of that information, please feel free to contact us.

Personal Data

In general, you may visit this website without revealing any information about yourself. Our servers collect the domain names of visitors, and this data is only held for the period you are logged onto the web site. This information is anonymous, and we aggregate it to measure the use of and to improve the content of our website.

We will, however, retain and use all personal information (for example name, e-mail address and your financial details) that you provide to Saichild via this website.

Use of Your Personal Data

We will use the personal data which you provide to us on the website to process any applications you make and to keep you informed (via e-mail and other methods of contact) about our products and services and those of our affiliate companies which may be of interest to you. If you do not want us to use your personal data to inform you of such products and services please feel free to contact us. In order to use your personal data as set out in this Privacy Policy, your personal data may be stored and processed in any country worldwide and will be disclosed to other companies in the Saichild Group and their agents. We may also pass your data to third parties, selected by us, with respect to certain activities. We will ensure that any third parties will only use your information in accordance with this Privacy Policy.

Cookies

A cookie is a small amount of data which is transferred to your browser by a web server. We may use cookies to track your visits to this site.

Web Beacons

We use a third party to host advertisements on our behalf across the Internet. The third party may also collect anonymous information about your visits to our website. This is primarily accomplished through the use of a technology device, commonly referred to as a Web Beacon or an Action Tag, which we place on various web pages within our website. The third party may use information about your visits to this and other websites in order to provide advertisements about goods and services of interest to you.

Further Information

Please note that we may change this Privacy Policy or Important Legal Information from time to time so please check it regularly. You have the right, at any time, to access and correct your personal information and privacy preferences or request to be removed from our mailing lists by contacting us using the relevant contact details which appear on the website.

We may record telephone calls for our mutual protection and to improve customer service. This website may contain links to other sites. We are not responsible for the content or privacy practices of those other sites.
