

SECURITY

As an investment business, we expect to find fraudulent schemes on social media and email from people pretending to represent Saichild Financial Holdings Limited (or other businesses in our group). We have robust processes and measures in place to manage activities like this and do everything we can to protect our customers and clients.

If you get a social or email message and you're unsure if it is from us, you can send it to our mailbox, and we'll look into it for you. If you have any concerns, you can email info@saichild.com
